SCIENTIFIC
MACHINE LEARNING
UNIVERSITY OF LEEDS

Hi All,

The new academic year is here, and we're kicking things off with the first of our monthly SciML coffee mornings this Friday (2nd October). Join us at 11am in the Worsley building (room 9.53) for coffee, cake and chats about all the events we have planned, along with community updates and news in the field of machine learning. Everyone is welcome, in person or virtually via Teams.

If you know of anyone who might be interested in this community, but you don't know if they've signed up yet, we encourage you to forward them this newsletter! The community has grown considerably since its conception, but we still hope to unite researchers in diverse fields through this group. You don't need to be at the University of Leeds, or even in Academia! We are an interdisciplinary bunch, and anyone, from undergraduates to professors, established programmers to people just casually interested, are welcome to sign up!

Please note that subsequent coffee mornings will be in Worsley building, room 11.87.

To have something featured in this newsletter, please send us an email at sciml@leeds.ac.uk containing details of the event/opportunity/resource you want to share with the community!
